SCI AmeriCorps – Volunteer Outreach Coordinator

The SCI AmeriCorps program supports youth success by connecting young people with the relationships, experiences, and resources they need to succeed. Members implement volunteer outreach and capacity building activities that increase volunteer participation, and provide leadership training and service-learning opportunities for youth. Since 2007, SCI AmeriCorps members have served at various host sites in Greater Boston, who are aligned with the mission of Social Capital Inc.

SCI AmeriCorps is currently looking for members to fill Volunteer Outreach Coordinator (VOC) positions for a 1700-hour service commitment between September 2021 and June 2022. The VOC will develop and implement practices for effective volunteer engagement at their host sites by focusing on SCI's core values of relationship development and nurturing local social networks.

HOST SITE OPPORTUNITY – Kids in Tech (Lowell, MA; Boston, MA)

The SCI AmeriCorps member will:

- Manage training & engagement for the current roster of volunteers; Recruit and train additional volunteers to work within several spheres: new curricula, classroom management policies, data collection and management, social media management, fundraising, donor and stakeholder communications, website maintenance and design, and special events.
- Serve as mentors for students that annually participate in after-school tech clubs, 90% of whom identify as BIPOC and many of whom come from low income families.
- Assist in the development and implementation of one or more of the following capacity building projects: new scalable curricula, a standardized method for recruiting and training volunteers, and a comprehensive methodology for tracking student progress and success both while participating in tech clubs and as they progress through their academic career.
