SCI AmeriCorps – Youth Leadership Coordinator

The SCI AmeriCorps program supports youth success by connecting young people with the relationships, experiences, and resources they need to succeed. Members implement volunteer outreach and capacity building activities that increase volunteer participation, and provide leadership training and service-learning opportunities for youth. Since 2007, SCI AmeriCorps members have served at various host sites in Greater Boston, who are aligned with the mission of Social Capital Inc.

SCI AmeriCorps is currently looking for members to fill Youth Leadership Coordinator (YLC) positions for a 1700-hour service commitment between September 2020 and June 2021. The YLC will increase the capacity of host sites to implement social capital building, youth engagement and community service-learning as strategies to achieve high educational outcomes.
