

SCI AmeriCorps Member Service Position 2022-2023

The SCI AmeriCorps program supports youth success by connecting young people with the relationships, experiences, and resources they need to succeed. Members implement volunteer outreach and capacity building activities that increase volunteer participation, and provide leadership training and community service opportunities for youth. SCI AmeriCorps is currently looking for candidates to fill positions for a 1700-hour service term from September 2022 to June 2023.
