

SCI AmeriCorps Member Service Position 2023-2024

Community Engagement Coordinator

The SCI AmeriCorps program supports youth success by connecting young people with the relationships, experiences, and resources they need to succeed. Members implement capacity building activities that increase volunteer participation, and provide leadership training and community service opportunities for youth. Since 2007, SCI AmeriCorps Members have served at various host sites in the Greater Boston area that are aligned with the mission of Social Capital Inc. (SCI).

SCI AmeriCorps is currently looking for candidates to fill positions for a 1700-hour service term (approximately 40 hours/week) from late August 2023 through June 2024. In addition to supporting the capacity building of the host site, the goal is to empower youth to positively impact their communities and build their social capital through collaboration with peers and adults while developing leadership skills.
